

What the Great Operatic Artists Are Doing

Great artists like Melba, Calve, Eames and others devote a much care to the preservation of their physical beauty as to the development of their voices. Hair and complexion demand the greatest care. A smooth, velvety and rosy complexion in connection with a luxuriant head of hair will transform the most commonplace looking female into an attractive and fascinating woman.

Women in professional life thoroughly understand this fact. How often we hear the expression, "What a beautiful head of hair," or "What a lovely complexion," etc. Take a woman for instance, of fifty years, whose hair has become streaked with gray. If she thoroughly realized that Q-Ban Hair Restorer would restore her hair to its youthful beauty and abundance, what would she not pay to become possessed of it, and if she knew that applications of the Restorer to the face would remove all pimples, blotches, etc., and improve the complexion a hundred fold, beside making her appear fifteen years younger, would she use it? Dr. Nott says that he never in his entire practice, failed in one single instance to restore gray hair to color, depending solely upon Q-Ban Hair Restorer, and that for diseased conditions of the scalp, falling hair, dandruff, etc., or to increase the growth of the hair, the Q-Ban Hair Tonic was always to be relied upon. All druggists have it for sale. Try it. If you use six bottles and the results are not as claimed, your druggist will refund you your money.

"J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair is commencing to fade you can have the first full size 50c bottle by sending 12c in postage to the Heesig-Elia Drug Co., Memphis, Tennessee."

WANTS HER LETTER PUBLISHED

For Benefit of Women who Suffer from Female Ills

Minneapolis, Minn.—"I was a great sufferer from female troubles which caused a weakness and broken down condition of the system. I read so much of what Lydia E. Pinkham's Vegetable Compound had done for other suffering women I felt sure it would help me, and I must say it did help me wonderfully. My pains all left me. I grew stronger, and within three months I was a perfectly well woman."

"I want this letter made public to show the benefit women may derive from Lydia E. Pinkham's Vegetable Compound."—Mrs. JOHN G. MOLDAN, 3115 Second St., North, Minneapolis, Minn.

Thousands of unsolicited and genuine testimonials like the above prove the efficiency of Lydia E. Pinkham's Vegetable Compound, which is made exclusively from roots and herbs.

Women who suffer from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Mrs. Pinkham, at Lynn, Mass. She will treat your letter as strictly confidential. For 20 years she has been helping sick women in this way, free of charge. Don't hesitate—write at once.

PITTSBURGH TO CINCY

By All Trolley Line—In Two Years You Can Buy a Ticket

Ripley Ber.

We are told that the syndicate which is to build the traction line down the river will ask for a franchise down Second street, through Ripley. Asking and getting are two different things.

We hardly believe that a Council could be found in Ripley that would grant any such franchise. Easton street was opened up for railroad purposes, and the franchise granted to the O. R. and C. is so constructed that any other road can use that street by an arrangement with said road.

Captain J. N. Patton, ex-Mayor of Manchester, was a Ripley visitor last Friday. He thinks the traction line down the river is a sure go, and says Manchester citizens are much elated over it.

HOPPER IS RE-ARRESTED

Springdale Man Again Taken on Eve of Release.

Samuel Hopper, the young man of Springdale taken to the Newport Jail more than a week ago charged with violating the postal laws, was confronted with another disappointment Tuesday, when, after he had secured bail of \$1,000 and was about to be released, he was re-arrested and locked up again.

Last week Hopper's aged mother went to Newport with \$500 to secure her son's release, but was informed that the bond had been increased to \$1,000, and she was compelled to return home without him. Tuesday the \$1,000 was raised, and the bond was filed for Hopper's release from Jail until his trial in the Federal Court in Covington.

Just before being released Deputy Sheriff John Higgins of Campbell county arrested the young man on a warrant from Flemingsburg, by the civil authorities, charging him with forgery. The charge is in connection with that brought by the Government authorities, and Hopper will be taken to Flemingsburg to be tried.

NATURE'S WARNING.

Maysville People Must Recognize and Heed It.

Kidney ills come quietly—mysteriously.

But nature always warns you.

Notice the kidney secretions.

See if the color is unhealthy—

If there are settlements and sediment.

Passages frequent, scanty, painful.

It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes.

Doan's have done great work in this locality.

James W. Cottingham, East Second street, Vanceburg, Ky., says:

"About two years ago my back became lame

and I had almost constant pain across my loins.

It was all I could do to drag one foot after

another, and I was actually too weak to work.

The kidney secretions were scanty and I had

a difficulty in passing them. I was laid up at

one time for a month and could not leave the

house. When Doan's Kidney Pills were recom-

mended to me, I procured a box and began

their use. My kidneys were soon restored to

their normal condition. I became strong and

have had no trouble since. It gives me the

greatest pleasure to recommend Doan's Kidney

Pills to other persons suffering from kidney

complaint."
